GENERAL

- I. Results of LAFAC funding decisions shall be conveyed in writing to the requesting party the date of the meeting by the Chairperson, after the funding decision is made. The Dean of Students Office should not be contacted regarding LAFAC funding decisions.
- II. The meeting dates for each semester should be scheduled and approved by the Committee within the first two weeks of the semester. A schedule of meetings and deadlines shall be posted on the website.
- III. Any student organization which conducts exclusionary and/or discriminatory practices on the basis of race, religion, color, sex, age, disability, sexual orientation, gender identity or expression, veteran status, or national origin in regard to any and all organization functions including, but not limited to, membership, admission and selection of officers shall not be eligible for LAFAC funding.
- IV. All parties seeking funding must provide LAFAC with a list of sources of funding sought before approaching LAFAC. The Committee may decide to table a request pending further attempts by the requesting party to raise funds elsewhere. In addition, all student organizations must submit a copy of its organization's annual budget and event budget.
- V. A LAFAC operating budget in the amount of \$1,500.00 per year shall be established from the LAFAC account to meet operating needs of the Committee. Any unused funds shall revert back to the LAFAC disbursement account by June 1st of each academic year.
- VI. When requesting parties make requests for funding in excess of five hundred dollars, they shall provide two (2) written estimates before LAFAC may consider the request. However, second estimates need only be provided for items with available substitutes. For example, if a requesting party request funds to attend a convention and there is a registration fee for which funds are being requested, a second estimate need not be provided. Additionally, if a requesting party is making a purchase through the University of Miami system, a second estimate need not be procured unless the LAFAC Chairperson requires otherwise.
- VII. In addition to posting information, the Chairperson shall disseminate information of LAFAC deadlines, meetings, and other important items to the student body via the *UM Website*.
- VIII. In certain instances, LAFAC may loan funds to requesting parties in lieu of a direct allocation.
- IX. **RETROACTIVE APPLICATIONS WILL NOT BE CONSIDERED.** The application for funding must be submitted to the LAFAC ten (10) days before the scheduled event/conference takes place and at least one week prior to the regularly scheduled LAFAC meeting. In such instances where an event/conference takes place when the LAFAC is not in session, then the application may be considered at the earliest reconvening of the LAFAC, provided the application is submitted to the Office of the Dean of Students at least ten (10) days prior to the event/conference. If an organization or individual fails to adhere to the deadlines stated herein, LAFAC may, in its discretion, hear the petition, with no guarantee that the petition will be funded.

DEFERMENT OF PAYMENTS

- X. 1) LAFAC may, at its sole discretion, vote to allocate funds in the Fall Semester, but defer the distribution of those funds until the Spring Semester. However, in doing so LAFAC must clearly articulate whether their decision constitutes an allocation with a deferred distribution, or request that the individual or student organization present again in the spring.
- 2) If LAFAC requests that an organization present again in the Fall, the organization's request will be reviewed prior to any requests submitted in the Spring. If multiple organizations that presented in the Fall are asked to return in the Spring, the organizations will present in the order that they presented in the Fall.

COMMUNITY AND WELLNESS EVENTS

XXX: Student organizations wishing to hold an event that promotes "Community" and/or "Wellness" may request funding from LAFAC to do so. These funds do not count against any other "per academic year" funding limits imposed by the LAFAC Constitution and Standing Rules. All events must be open to the entire law school student body. Food can be purchased with funding from this grant, notwithstanding Rule XIII above. All other rules applicable to student organization events and funding for such events apply as normal. Although in-person events are preferred to remote events, student organizations must be mindful of and abide by the most up-to-date University guidance on social distancing and mask usage (coronavirus.miami.edu). Events that promote "Community" and "Wellness" include but are not limited to:

- A. walks, runs, yoga, and other events centered on personal fitness;
- B. scavenger hunts, trivia, video gaming nights and tabletop gaming nights;
- C. recreational sporting events;
- D. community music nights, karaoke, and jam sessions;
- E. beach cleanups, park cleanups, and other environmental or community centric events.

The list included in the previous section is non-exhaustive. Student organizations are strongly encouraged to think creatively about how their unique identity, resources, and mission statement can best be incorporated into efforts to promote a sense of "Community" and "Wellness" at the Law School.
